Product Designer with 15+ years crafting digital products and enterprise design systems. Specialized in AI-integrated design — leveraging AI tools and spatial data to accelerate prototyping, personalize experiences, and deliver measurable business impact.

EXPERIENCE

iMuto | Sr. Product Designer — JAN 23 - APR 25

- Conducted user interviews and mapped UX flows to streamline Syngenta's management systems, enhancing operational efficiency.
- Improved Syngenta's internal seed planning tool, supporting agriculture LLM with geo-spatial data integration.

Amazon, AWS | Sr. UX Designer — *JUL 21 - OCT 22*

- Modernized UX for AWS Modernization Calculator and License Manager, improving usability and WCAG 2.1 AAA compliance for millions of users.
- Engineered CAPTCHA solution that boosted accessibility by 30%, reducing support tickets and enhancing user trust.

Newegg, ABS | Product Design Consultant — *JUL 20 - JUL 21*

- Rebranded ABS.com PC customization UX, driving 110% sales growth within 12 months through intuitive interfaces and streamlined workflows.

Plannerly | UI UX Design Consultant — *SEP 18 - JUL 20*

- Partnered with the CEO to rebrand and develop the App and website, doubling active users by 105% in 6 months.

Vertecx | Design Manager — *JAN 17 - AUG 18*

- Led VR game and social AR product launches, scaling a creative team of 8 and shipping Google-featured apps.

loanDepot | Sr. UI UX Designer — *JUN 15 - DEC 16*

- Simplified mortgage UX; reduced processing delays by 55%.
- Built high-conversion landing flows across mobile and desktop.

Rant, Inc. | Lead UI/UX Designer — *MAR 14 - MAY 15*

- Launched 2 sites and 1 mobile app in 6 weeks with 2 designers.
- Boosted brand impressions by 200% post-redesign.

Zynga | Sr. UI Designer — *JUL 12 - AUG 13*

- Designed UI, user interaction, and visuals for Zynga Slot, transforming the game into an iOS mobile experience using Cocos2D-x.

Machinima | Interactive Art Director — MAY 10 - MAR 13

Developed affiliated content-creator programs with a product team which lead to an increase of over 100M monthly unique visits over 18 months.
